Nauset Completes Second Phase of Skilled Nursing Upgrades Near Boston

January 18, 2017 Published in [The Latest News](#)

REVERE, Mass. — Nauset Construction has completed the second phase of renovations to the Lighthouse Nursing Care Center in the Boston suburb of Revere.

Genesis HealthCare operates the community, which Donahue Architects designed.

Phase II included the installation of rooftop mechanical units, new fire protection systems, lighting and finishes throughout the entire third floor. Site work included parking lot and sidewalk reconstruction including handicap accessibility enhancements.

Phase I, which The Architectural Team designed, included construction of a three-story, 17,000-square-foot addition and the renovation of an additional 10,000 square feet of existing space, providing the facility with 12 short-term rehabilitation beds; suites for physical, occupational and speech therapy; medical offices; clinical space; and a 2,700-square-foot rehabilitation gymnasium.
